When to use this application form?

In case of applying for a Commercial Pilot Licence (CPL) or the first issuance of an Instrument rating (IR) or a Basic instrument rating (BIR).

How to use this application form?

Print and fill in the pages intituled "First page" and "Last page" and the in-between page(s) describing the training you followed. The relevant requirements for getting a licence or rating are always gathered on one page. You don't have to print and send us all the pages. Only "First page", "Last page" and the in-between pages for the training are needed.

Which pages to fill in?

First page (Application – Details of the applicant – Address for correspondence – Medical fitness) has to be filled in systematically.

- If you wish to inform us about your personal details or about any changes in our personal details, please fill in the "2.2 Applicant details". Otherwise fill in your personal licence number only, in the "2.1 Applicant details".
- Address for correspondence – has to be filled in if the address for correspondence is different from your personal address.
- You have to provide us with a copy of your medical certificate issued in conformity with Part-MED.
If you are not holding a Belgian issued medical certificate please contact the Belgian Aero-Medical Section at info.ams@mobiliteit.fgov.be.

Any in-between page(s) you need for the licence or rating you are applying for.

- ATP, CPL/IR, CPL Integrated courses page when you have completed an integrated training.
- CPL modular course page when you have completed a CPL modular course.
- IR modular course page when you have completed an IR modular course, a BIR course or an IR competency-based.
- As some trainings require a minimum flying experience as prerequisites, you have to demonstrate that you meet these minima.

Last page (Confirmation of skill test – Declaration of applicant) has to be filled in systematically.

- Confirmation of skill test will be filled in by the examiner.
Remark: this section may also serve for the confirmation of skill test of an IR competency-based or of a BIR for holders of a valid ICAO IR having demonstrated a minimum experience of flight time under IFR as PIC on aeroplanes (50 hours for IR(A) competency-based or 25 hours for BIR).
- Please specify in the declaration how you wish to receive your licence from BCAA.

Supporting documentation

At the end of a section of this application form, you will find the documentation needed. Don't forget to add it to your application.

- Copy of your ID card or passport
- Copy of Part-MED medical certificate
- Copy of theoretical knowledge examination results (if not taken with the Belgian CAA)
- Copy of Part-ORA ATO/DTO approval certificate (if ATO/DTO is not approved by the Belgian CAA)
- Copy of Part-FCL examiner's approval certificate (if examiner is not approved by the Belgian CAA)

Remarks

Within 10 days after receipt of a skill test/proficiency check result, an appealable decision about the test/check results may be requested in writing to the Belgian Civil Aviation Authority.

Any incorrect information could disqualify the applicant from taking any examination or being granted a personnel licence, certificate, rating, authorisation or attestation. Furthermore, in case of obtaining the pilot licence, rating or certificate by falsification of submitted documentary evidence, in spite of the penalties susceptible to be imposed on the pilot, the decision of acceptance will be the object of a decision of immediate withdrawal.

Your logbooks have to be duly filled in, please read the instructions for use included in your Part-FCL logbook or consult the corresponding Acceptable Means of compliance (AMC1 FCL.050). Instruction time must be certified in your logbook by the appropriately rated or authorised instructor from whom it was received. Assessment of competence, skill test and proficiency check must be certified in your logbook by the appropriately rated or authorised examiner from whom it was taken.
