When to use this application form?

In case of applying for an Airline Transport Pilot Licence (ATPL).

Which sections to fill in?

Section 1 – Application – has to be filled in systematically.

Section 2 – Details of the applicant – has to be filled in systematically.

If you wish to inform us of your personal details or of any changes in our personal details, fill in the “2.2 Applicant details”. Otherwise fill in your personal licence number only in the “2.1 Applicant details”.

Section 3 – Address for correspondence – has to be filled in if the address for correspondence is different from your personal address.

Section 4 – Medical fitness

You have to provide us with a copy of your medical certificate issued in conformity with Part-Medical.

If you are not holding a Belgian issued medical certificate please contact the Belgian Aero-Medical Section at info.ams@mobilit.fgov.be.

Section 5 – Declaration of applicant – has to be filled in systematically.

Please specify how you wish to receive your licence from BCAA.

Section 6 – Description of the flying experience – has to be filled in systematically.

- You have to write down the flying experience you have before the ATPL skill test is taken.
- Holders of a pilot licence for other categories of aircraft may be credited with flight time, don't forget to fill in the corresponding experience description.
- For logging PICUS hours, the method of supervision must be acceptable to the Belgian CAA and has to be previously submitted to the Belgian CAA for approval. After approval the pilot will be allowed to log PICUS flight time. All time flown before the approval from the BCAA will not be valid.

Section 7 – Confirmation of skill test – has to be filled in systematically.

This section will be filled in by the examiner.

Supporting documentation

At the end of a section of this application form, you will find the documentation needed. Don't forget to add it to your application.

- Copy of your current licence (double sided)
- Copy of Part-MED medical certificate
- Copy of Part-FCL examiner's approval certificate (if examiner is not approved by the Belgian CAA)

Remarks

Within 10 days after receipt of a skill test/proficiency check result, an appealable decision about the test/check results may be requested in writing to the Belgian Civil Aviation Authority.

Any incorrect information could disqualify the applicant from taking any examination or being granted a personnel licence, certificate, rating, authorisation or attestation. Furthermore, in case of obtaining the pilot licence, rating or certificate by falsification of submitted documentary evidence, in spite of the penalties susceptible to be imposed on the pilot, the decision of acceptance will be the object of a decision of immediate withdrawal.

Your logbooks have to be duly filled in, please read the instructions for use included in your Part-FCL logbook or consult the corresponding Acceptable Means of compliance (AMC1 FCL.050). Instruction time must be certified in your logbook by the appropriately rated or authorised instructor from whom it was received. Assessment of competence, skill test and proficiency check must be certified in your logbook by the appropriately rated or authorised examiner from whom it was taken.
