Declaration GGV 2012-06-05

According to section 7.9.2 of the International Maritime Dangerous Goods code and Special Provision 301 of UN 3363, Dangerous Goods in Machinery or Dangerous Goods in Apparatus, the undersigned, competent authority of the Kingdom of Belgium hereby declares that F2-cell, filled with KF.2HF and NaF-tower trolleys containing pellets of NaF.HF shall be transported under this UN number including its transport requirements with the following additional requirements:

1. The F2-cell, filled with KF.2HF shall comply with the drawings no. "B-173871-022-3-R-201-01, rev. 0 from 27.09.2011" and no. "SF6/C-1301-04, with modifications from 02.06.2002"
2. The NaF-tower trolleys containing pellets of NaF.HF shall comply with the drawing no. "B-173871-022-3-T301-01, rev. 2 from 22.09.2011"
3. the F2-cell, filled with KF.2HF and NaF-tower trolleys containing pellets of NaF.HF shall be transported in closed cargo transport units and shall be secured in the unit in such a way that movements at sea are impossible and that the weight is evenly distributed;
4. a copy of this authorization shall accompany the transport documents;
5. All other relevant provisions of the IMDG code shall be complied with;
6. The representatives of the transport shall send to the "Scheepvaartcontrole", Oostende Bureau, detailed report of any accident occurring during the loading of a vessel, the transport to and from or the storage in the port and during the voyage.

This administration reserves the right to withdraw this permission at any time when it considers necessary to do so.

In any case this declaration will expire on 30th of April 2017, but can be subject to renewal.

Oostende, the 27th of April 2014

ing. P. Van Lancker, attaché
