<p>Declaration IMSBC 2015-02-02</p>	

According to section 4.3.2 of the International Maritime Solid Bulk Cargoes (IMSBC) code, the undersigned, competent authority of the Kingdom of Belgium hereby declares that **Inspectorate Ghent**, Keurestraat 29, 9042 Desteldonk is a recognized entity to determine the ‘Transportable Moisture Limit (TML)’ of cargo which may liquefy, on the conditions specified hereafter:

1. The provisions in the IMSBC code and MSC.1/Circ. 1454 “Guidelines For Developing and Approving Procedures for Sampling, Testing and Controlling the Moisture Content for Solid Bulk Cargoes which may Liquefy” shall be followed;
2. Inspectorate Ghent shall be ISO certified for testing laboratory;
3. Inspectorate Ghent shall send to the Maritime Inspectorate, Ostend Bureau detailed report of any remarks in the ISO certification and any other problem(s) in the determination of the TLM.
4. This administration reserves the right to withdraw this declaration at any time it considers necessary to do so.

In any case this declaration will expire on the 31st of March 2022, but can be subject to renewal.

Oostende, 21st of March 2017
