NOTICE TO OPERATORS 11/04

Subject: Comments Response Document (CRD) about Part-SPO (Special Operations)

Date: 2 February 2011

Description: A CRD is a draft opinion of EASA taking into account the comments on a notice of proposed amendment (NPA).

This CRD about Part-SPO contains additional specific implementing rules for the operation of aerial work. Non specific proposed rules are contained in Part OR subparts GEN & OPS

This CRD about Part-SPO will be accessible for comment begin of February on the website of EASA:

<http://easa.europa.eu/rulemaking/comment-response-documents-CRDs-and-review-groups.php>

The end of the comment period will also be specified by EASA (normally 2 months after the CRD publication).

After this second comment period, EASA transmit his final opinion to the European Commission who will then lay down a regulation based on this opinion.

The BCAA strongly encourages all operators performing aerial work to comment on this CRD before the end of the comment period by using the Comments Response Tool (CRT) on the website of EASA:

<http://hub.easa.europa.eu/crt/>

Furthermore, a copy of the comments can also be addressed to the Belgian Civil Aviation Authority (BCAA) at ops.npa.comment@mobilit.fgov.be
Please refer part-SPO in the subject.
