

## NOTICE TO OPERATORS 12/02

---

**Subject:** Yearly Operational data collection

**Description:** In order to do "Safety analysis", of occurrence reporting and draw meaningful conclusions, BCAA-OPS asks the Belgian operators to provide the following data:

- number of flight hours per type of aircraft and per year;
- number of movements per type of aircraft and per year.

Please provide us with the above data each year before the end of February.

B. Van Noten, Ir  
Counsellor General
